568 W 800 N Suite 204 Orem Utah

PINEHURST OFFICE CONDO

Check out this opportunity to own your own office space in Pinehurst Office Park. The space has building signage visible on 800 North. While this space would suite any general office user, Pinehurst is located adjacent to Timpanogos Hospital, which could create a prime opportunity for a medical user. You will own your suite entirely – not just equity ownership like the new development to the west is offering. The suite has multiple offices, conference rooms, and open work space. Reach out to schedule your private tour.
