MARKET ANALYSIS

606
Cozine Avenue
Brooklyn, New York

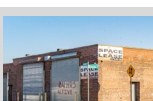

Spring Creek Market Overview

606 Cozine Avenue is situated in the Spring Creek Industrial submarket in Southeast Brooklyn, New York. Brooklyn, is one of the five boroughs of New York City and stands as the most populous, with over 2.5 million residents. As a dynamic and evolving urban market, Brooklyn has seen significant economic and demographic transformation over the past two decades, emerging as a premier destination for residential, commercial, industrial and institutional investment.

The industrial market in Brooklyn, NY remains robust in 2025, characterized by limited supply and consistently high demand, particularly for last-mile distribution and logistics operations. Average asking rents are among the highest in the country for urban industrial markets, often exceeding \$25 per square foot and reaching over \$30 in prime areas such as East Williamsburg, Sunset Park, and Red Hook.

The current vacancy rate in the Spring Creek Industrial Market is a low 2.9%
