ABOUT GILBERT

With 288,918 total residents, Gilbert is the most populous un-incorporated town in the nation and the fifth largest city in Arizona. The city's current downtown, a .3-square-mile area called the Heritage District, is the community's original town site. Restaurants and shops within the Heritage District and surrounding it attract residents and visitors alike. Apart from the vibrant downtown, there are various other reasons attributed to the continued growth and popularity: Gilbert is continuously ranked as one of the best places to live in America, raise a family and to own a home; the schools are A rated; and there are many business opportunities.
