PROPERTY DESCRIPTION

This 12,000 SF multi-tenant flex warehouse in Avon Park offers a high visibility storefront setup that works well for contractors, distributors, service companies, and light industrial users. The property sits on a little less than 1 acre lot divided into four units, with tall ceilings, air-conditioned offices.

The property's existing infrastructure and lack of inventory in the area make it an ideal opportunity for an owner-user looking for functional warehouse space with the added benefit of on-site yard storage. For investors, the limited supply of smaller industrial spaces in the Avon Park area, along with the added income potential from the yard space, makes this a strong opportunity.

Located in Avon Park's industrial corridor, this site offers quick access to US Hwy 27 and quick connection to Sebring and the surrounding commercial markets. The central
