REIMAGINING THE MODERN CAMPUS

The Village at River's Edge is a 585,000 SF full lifestyle campus on 200+ beautiful acres overlooking the Cochecho River in Dover, New Hampshire. The campus' planned redevelopment will soon offer more Class A office, flex and industrial space and introduce brand new retail, medical services pad sites, and 230 modern apartments now being constructed.

The private campus sits less than three miles from Downtown Dover, putting tenants within reach to an abundance of amenities including cultural attractions, dining, lodging and entertainment.

The Village at River's Edge also provides exceptional access to area highways, Amtrak's Downeaster rail station and the C&J Bus terminal, all within 5 minutes of the campus.
