

A photograph of a modern, open-plan office space. The room features high ceilings with exposed wooden beams and industrial-style lighting, including long horizontal bars and several large, white, spherical pendant lights. On the left, there is a long wall of light-colored wooden lockers. The central area is furnished with long, light-colored wooden tables and ergonomic office chairs. A large, textured stone wall is visible on the right side, with several windows. In the foreground, there are decorative items like a patterned ottoman and a small table with a vase. The overall atmosphere is bright, airy, and professional.
