# Happy Valley - Sunnyside Land

13047 SE SUNNYSIDE RD, CLACKAMAS, OR 97015

## PREVIOUS ENTITLEMENTS

The property has previously received design review and land use approval for Phase I of Whitewood Gardens, a proposed 67-unit Residential Care Facility (RCF) providing housing and care services for seniors. Conveniently located near the Kaiser Permanente Sunnyside campus and shopping centers, this site is ideal for senior housing.

Pre-development work has been completed, including surveying, arborist reporting, environmental soil remediation, geotechnical reporting, and demolition. This not only saves money but also reduces development time by approximately 18 months. Additionally, feasibility studies and concept designs for the multi-phased residential care facility project are available for immediate use by a developer.

The site is strategically located to take advantage of the area's robust economic activity and vibrant community. With flexible zoning and a prime location near major transportation routes, retail centers, healthcare facilities, and mixed-use developments, it is well-positioned for any type of development in Clackamas County. The positive demographic trends in Happy Valley further enhance its appeal as a prime development site.
