THE FIRST COWORKING SPACE IN CO
DEDICATED TO WOMEN IN
CONSTRUCTION

OUR MISSION

To construct a collaborative workspace that fosters an inspirational environment through community building, strategic alliances, and networking to empower women-owned businesses in reaching their maximum potential

OUR VISION

To transform industry practices and break through barriers in a collaborative workspace that promotes inclusion, creativity, access and empowerment to help women-owned businesses thrive

OUR VALUES

- We are committed to empowering women
- We create a collaborative environment to promote growth & success for businesses
- We choose to lead. We choose to thrive, not just survive.
