A Look at Northern Nevada

Washoe County

Washoe County, situated in the northwest corner of Nevada along the California and Oregon borders, is the second most populous county in the state, boasting **over 500,106 residents**. The county's southwest corner meets the northeast corner of Lake Tahoe, while both Washoe Lake and Pyramid Lake are also encompassed within its borders.

City of Reno

Named as the US's #1 small city for 2022, Reno attracts nearly **4.8MM visitors** annually with events like the Reno Rodeo, Hot August Nights, Reno Air Races, and Street Vibrations. The city has undergone a renaissance, boasting a thriving tech presence and a dynamic arts community, featuring street murals and sculptures. Industrial expansions in northern Nevada, especially in the Tahoe-Reno Industrial Center (TRIC) and eastern Sparks, along with marijuana legalization, have drawn investors and manufacturers from neighboring states.

University of Nevada, Reno

The University of Nevada, Reno, established in 1874 and based in Reno since 1885, comprises 13 colleges and schools, **offering more than 460 Tier-1 degree programs** and averaging over 20,945 students annually. A notable tradition is the Reno-UNLV rivalry, highlighted by the competition for the Fremont cannon. This replica cannon is awarded to the winner of the annual Reno-UNLV football game and is painted in the victorious team's colors, blue or red.

Lake Tahoe

Lake Tahoe, located less than 25 miles from downtown Reno, serves as a year-round destination for outdoor enthusiasts. It offers water sports in the summer and transforms into a winter sports haven with North America's largest concentration of ski resorts, receiving 400 inches of snow annually.

A Look at Northern Nevada

The Neon Line

The Reno Neon Line District, an emerging submarket, is rapidly expanding with the acquisition and redevelopment of properties west of downtown Reno. Led by local developer Jacobs Entertainment, this submarket revitalization blends commercial spaces and housing with a vibrant arts and entertainment scene. Spanning from West St. to Keystone Ave., and from I-80 to W. 2nd St., the Neon Line District aims to redefine urban living and leisure in Reno.

Virginia Street Project

The Virginia Street Revitalization Project has been recently completed providing a safe and seamless connection between UNR, downtown, and MidTown Reno. The Regional Transportation Commission (RTC) of Washoe County and Sierra Nevada Construction (SNC) partnered on the project which allows for increased pedestrian safety with expanded sidewalks, improved bike lines, pedestrian ramps, and ADA-compliant crosswalks. The area manages vehicle traffic flow with dual one-way traffic lanes, bus-only lanes, and enclosed bus stops.

MidTown

Over the past five years, MidTown has transformed into a sought-after destination for investors, who are infusing modern art and architecture into existing buildings. This revitalization is not only enhancing the aesthetic appeal but also bolstering the Reno economy. By fostering collaboration between entrepreneurs and business developers through a blend of redeveloped commercial spaces and residential conversions, the MidTown district is driving economic growth. Additionally, annual events organized by retail and office users are fostering community engagement, attracting residents from Reno and Sparks alike.

Greater Nevada Field

Greater Nevada Field serves as the home stadium for the Reno Aces Minor League Baseball team, the Triple-A affiliate of the Arizona Diamondbacks, since their inaugural season in 2009.
