- The Port of Savannah is home to the largest single container terminal in North America and is the fastest growing container port in the United States
- The terminal boasts nearly 10,000 feet of berthing space with 30 container cranes spanning over 1,200 acres
- Due to the increased use of the Panama Canal and the ever increasing population growth in the Southeast United States, the Port of Savannah is the fastest growing port
- Two Class I on-terminal rail facilities provide immediate access to inland markets
- The Port's immediate access to I-16 and I-95 allows key cities and manufacturing points in the Southeast to be reached within a one- to two-day drive

- Three major interstates (I-10, I-75, and I-95) provide seamless access to major markets throughout the United States
- JAXPORT's international seaport offers worldwide cargo service from dozens of ocean carriers, including direct service with Asia, Europe, Africa, South America, the Caribbean and other key markets
- Recent port improvements include harbor deepening, berth improvements, and 100-gauge cranes
