

Thank you for practicing
Please keep at least
6ft apart
Social distancing

METTLER TOLEDO
Employee Protocols

Examples are daily health checks, social distancing, and wearing a face mask.

Wash hands frequently with soap and water for at least 20 seconds.

Respect the common space. Do not touch other people's work surfaces.

Minimize frequency.

Order the maximum number of goods.

Wash hands frequently with soap and water.

Thank You!

METTLER TOLEDO
Employee Promote!

Complete your daily health check.
Do not return to the office if you are ill.

Wash or sanitize your hands
before entering a building and
after leaving it at the end of the day.

Respect the common areas. Ask permission
before entering a private office.

Observe social distancing.

Follow the standard workplace
safety protocols.

Thank You!
