

# LONG ISLAND, NY CEO WATERFRONT RETREAT! **SEALED BID OFFERING** **NOW ACCEPTING BIDS!**

Former CIA Director William J. Casey's Long Island Compound For Sale-N.Y.

The stunning 8.2-acre property known as "Mayknoll" overlooks Hempstead Bay in Roslyn Harbor, NY in the iconic North Shore area of Long Island. This magnificent retreat encompasses an impeccably maintained manor house and three guest houses with waterfront access and less than an hour from mid-town Manhattan.

The property's unique proximity to New York City via train or major commuter arteries is attractive to executives, professional organizations and embassies who want privacy and security. Potential to acquire the property's furnishings in whole or in part and to subdivide is available.

Asking price has not been set and the property will be sold in a sealed bid format with the seller entertaining all viable offers from qualified bidders. Bids are now being accepted on the property and qualified buyers will be able to tour the property by appointment only.
