WESTINGHOUSE BUSINESS PARK

THE PROJECT

Westinghouse Business Park is a Class A industrial and flex development located in the heart of booming Georgetown, Texas. With three buildings totaling 184,400 SF, the project will deliver fully equipped with “move-in ready” office pods, bathrooms, LED lights, ESFR sprinklers, fully insulated and HVAC ready warehouse space, and overhead roll-up glass doors on the front of each building. The business park sits in a prime location with easy access to and from I-35 as well as close proximity to surrounding retail, restaurants, parks, and entertainment.
