

VECINDAD PLAZA - NEW RETAIL SPACES COMING SOON!

1140 S. VECINDAD STREET | MOUNTAIN HOUSE, CA | 95391

Vecindad Plaza is one of Mountain House's newest retail projects, currently under construction and slotted for delivery in the forth quarter of 2026. The retail/office building is 13,500 SF in the heart of the Mountain House community with a 360° residential trade area. The overall market is a rapidly growing community, with a long-term plan of approximately 44,000 residents that are currently starved for retail services. The existing population consist of highly educated residents, a young median age, and a high rate of homeownership, supporting long-term consumer spending in the region. The shopping center already has commitments from Tumeric Grocery & Restaurant and Golden Kids Montessori, and has limited space remaining available! This location is ideal for neighborhood service retailers, including restaurants, cafés, medical and dental applications, fitness and personal services, financial services, and professional offices.
