Right-sized, ideally strategically located, with a backbone of education, medical, and military pumping out a solid labor force, the city has become a beacon for companies to set up shop. **Infrastructure, labor force, cost of living, location, education, industry- they are all leading companies large and small to the CSRA.**

AUGUSTA, GA

AIKEN, SC

HOME OF THE AUGUSTA NATIONAL

Year after year during the first full week of April, golf fans descend on Augusta by the thousands. The annual event marks a boom for the local economy with over 200,000 average attendees. Augusta is known as the golf capital of the universe for good reason, and the love of golf extends well beyond the confines of Augusta National. It attracts politicians, athletes, musicians, Corporate CEOs, and many more which brings some of the world's most powerful people all in the same week to Augusta, GA.

A WELL CONNECTED CITY

Few places are as ideally located as The CSRA. It sits on I-20 between Atlanta (eastbound) and Columbia (westbound), with every major artery of Southeastern Interstate within easy reach, especially I-95 and I-77.

Augusta is less than 150 miles from the Ports of Savannah and Charleston.

Augusta's regional airport has direct flights to Atlanta, Charlotte, Washington DC, and Dallas.

CYBER CITY

The CSRA has long been a hotbed for the tech- and cyber-related companies such as Unisys, ADP, and Raytheon. Now, Augusta is home to the US Cyber Command at Fort Gordon and the newly completed Georgia Cyber Center, a \$100 million investment and the largest government cybersecurity facility in the United States.

U.S. Army Cyber Command (ARCYBER) is the Army headquarters beneath United States Cyber Command.

HEALTHCARE

Augusta University is Georgia's health sciences university, offering resources and services for those throughout the state and beyond. It features the Medical College of Georgia, the Dental College of Georgia, and a highly sought-after nursing program.

There are 12 total Hospitals in the area with a brand new one being constructed.

Doctor's Hospital in Augusta is the largest burn center in the United States and the third largest in the world.

LOW HOUSING COSTS

One of the biggest jewels in the CSRA is our low housing cost. Here, a broad variety of options are available, encompassing everything from new TND neighborhoods to established communities of antebellum and craftsman style homes.

Our market is more than 50% less than the national average, complementing the low cost of living and doing business in Augusta.
