NEWBERG INDUSTRIAL PARK - An excellent location

500 E Illinois Street, Newberg, Oregon is located in a suburban area in Yamhill County approximately 20 miles southwest of downtown Portland, Oregon. The area consists of single-family homes, multi-family apartment complexes, and significant commercial/retail and medical (Providence hospital) uses along Highway 99W. Newberg is home to George Fox University -Oregon's largest private university. It is a fast growing, dynamic community that is known for it's high quality of life as well as a large skilled workforce. The property is well situated between Highway 219 and hwy 240 and hwy 99w. Hwy 99w is the main commercial and transportation arterial and provides access to the city of Sherwood & Portland to the east and the city of McMinnville & Salem to the southwest. I-5 freeway is 12 miles to Donald and 13 miles to Tualatin.

The location and existing infrastructure and the tax-benefit opportunities of the Enterprise Zone offer flexibility and intrinsic value for Industrial users, manufacturers and institutional investors

LOCATED IN CITY OF NEWBERG
"ENTERPRISE ZONE"

The 5.59 acre property is:

- 25 miles east to Portland via Highway 99w
- 2 minute north of Highway 99W via E. College Ave
- 20-45 minutes east to Portland, Hillsboro and Cornelius
- 20 minutes to I-5 freeway
- 15 minutes west to McMinnville
- 10 minutes to Sherwood
- 5 minute walk to George Fox University
- Newberg is located in Oregon's renowned "Wine Country".
