Property Description

FOR SALE

Located on the first floor of the University Hospitals Gates Medical Building at 125 E Broad St, Elyria, this 2,260 SF medical office condo offers an exceptional plug-and-play opportunity within an active hospital campus environment. The building sits directly adjacent to UH Elyria Medical Center, a 387-bed community hospital that has served Lorain County for more than a century.

The Gates Medical Building hosts a mix of established healthcare users, including UH Gates Pharmacy on the first floor, UH primary care and women's health practices, and Quest Diagnostics, creating strong built-in referral potential and daily patient traffic. The property is conveniently positioned just minutes from downtown Elyria, the courthouse/government district, and major arterial roads, offering easy access for patients and staff from across Lorain County.

The condo itself is efficiently configured for clinical use, featuring a welcoming waiting room, reception area, dedicated physician office, multiple patient exam rooms and nurse practitioner rooms, a PFT room (Pulmonary Function Test), kitchen/break room, and a private restroom. First-floor location within the building provides convenient access for patients, staff, and those connecting to services in the adjacent hospital. This is an ideal option for a practice seeking a hospital-based presence without the cost and complexity of ground-up buildout.

LOCATION DESCRIPTION

125 E Broad Street is positioned in one of Elyria's most established medical and civic corridors, directly adjacent to University Hospitals Elyria Medical Center.

The site provides excellent accessibility, located just minutes from Downtown Elyria, the Lorain County Justice Center, county government offices, and major arterials including E Broad Street, E River Street, and Route 57, which together carry more than 5,000–7,800 vehicles per day.

Its central location within the hospital campus and proximity to Elyria's civic and commercial districts makes 125 E Broad Street a strategic choice for healthcare providers seeking a highly accessible, referral-rich, and operationally efficient clinical setting.
