### OVERVIEW

ALDI has acquired the former Winn-Dixie at Mid-City Market, located at 401 N. Carrollton Avenue in New Orleans. Approximately 29,315 SF of space remains available for a junior anchor tenant on the Conti Street-side of the building. Mid-City Market is a high-visibility, grocery-anchored shopping center in the heart of Mid-City, offering an outstanding junior-anchor opportunity alongside a proven lineup that has Jefferson Feed Pet & Garden Center, Office Depot, Panera Bread, Verizon, Felipe's Taqueria, and Five Guys. Positioned on one of the area's primary commercial corridors, the site benefits from strong connectivity and steady neighborhood activity supported by the Canal Street streetcar line, City Park, Bayou St. John, the Lafitte Greenway, and surrounding medical and institutional uses.
