BOSTON NORTH TECHNOLOGY PARK offers professional office space in a beautiful, north of Boston location. We are dedicated to high-quality, professional service, and the establishment of ongoing, mutually beneficial tenant relationships.

Our newly renovated office complex is a 150,000 s.f. facility with 100+ tenants. As well as our flexible floor plans, the facility also offers a fantastic training center for our tenants. In addition, we offer shared conference rooms, lobbies, and public spaces, mail centers and abundant parking. With our competitive lease rates, these amenities provide even the smallest businesses with a dynamic infrastructure for success. Its accessibility to I-495 and I-95 makes it THE location for convenient local and regional access.

We invite you to explore the possibility of starting or relocating your business to BOSTON NORTH TECHNOLOGY PARK, and to take advantage of all the park has to offer. Our facility gives you the opportunity to focus on your business, rather than the details that go into setting up an office.

Contact Chris McGuire or Jessica Leary today to make BOSTON NORTH TECHNOLOGY PARK your partner in 2024 and beyond. Increase your bottom line with a better location, state-of-the-art amenities, and a more professional image.
