### PROPERTY DESCRIPTION

Epic Center is Class A, trophy office space, the signature of Wichita's skyline and the tallest building in Kansas. This premier office address is home to the city's top law, financial, consulting and accounting firms. Inside, there is an impressive four-story, granite lobby. Floor to ceiling windows provide breathtaking views. The property has a building conference facility with video conferencing capability. The six-

story attached parking garage contains 680 spaces, including reserved and visitor stalls. Onsite, there are courier service drop boxes and cafe. The building features high level 24x7 on-site security service. There is outstanding fiber connectivity throughout the building, and the on-site management staff is pledged to courtesy and service.
