THE QUARRY

The FRP LaGrange Quarry, located in La Grange, Kentucky, is a popular destination known for its beautiful, crystal-clear water and scenic surroundings. Originally a rock quarry, it has been transformed into a recreational site primarily used for scuba diving and swimming. The quarry features deep, clean waters with visibility often exceeding 30 feet, making it a favorite spot for divers of all skill levels.

In addition to diving, the quarry is also known for hosting various events and activities, including underwater training and certification courses. The natural beauty and unique underwater landscape of the FRP LaGrange Quarry attract outdoor enthusiasts and adventure seekers, offering a peaceful retreat just a short drive from Louisville.

FEATURES:

- Situated in La Grange, Kentucky, just a short drive from Louisville.
- Popular destination for scuba diving, swimming, and snorkeling.
- Crystal-clear water with visibility often exceeding 30 feet.
- Easily accessible from major roads and highways.
