Location Overview

Strategically located in the well-established Northam Industrial Park, 751 D'Arcy Street offers excellent connectivity within Southern Ontario's growing industrial corridor. Situated just 2 km from Highway 401 via the Baltimore Road Interchange, the property provides direct access to the Greater Toronto Area, Eastern Ontario, and key U.S. border crossings—making it ideal for regional and national logistics.

Cobourg continues to attract industrial investment due to its business-friendly environment, skilled workforce, and affordable operating costs compared to major urban markets. With nearby access to rail infrastructure, commercial services, and municipal transit, Northam Industrial Park is home to a diverse mix of manufacturers and food producers, reinforcing the area's position as a high-functioning and well-served industrial hub.
