ZONING INFORMATION

Sec. 125-200. General Commercial Zone (C-3).

- (a) *Purpose.* The district is intended to provide for a broad variety of business activities including shoppers' goods stores, convenience goods and service establishments, offices and tourist/entertainment facilities. Many public and semi-public uses are also appropriate. Compared to the C-4 zone, this district is more suitable for uses requiring a high degree of accessibility to vehicular traffic, low intensity uses on large tracts of land, most repair services and small warehousing and wholesaling operations. Although this zone should be located along or near arterial or collector streets, it is not the intent of this district to encourage the extension of strip commercial areas. Instead it should promote concentrations of commercial activities.
- (b) *Basic use standards.* Uses in a C-3 zone must meet the requirements of this section. More restrictive requirements, set forth in accordance with other provisions of this chapter, must be satisfied by some conditional uses.
- (1) *Lot size.*
- The minimum lot area shall be 10,000 square feet.
 - The minimum lot width shall be 70 feet.
 - The minimum lot depth shall be 90 feet.
- (2) *Yards.*
- The minimum depth of the front yard will be 25 feet.
 - The minimum yard depth (if not the front yard) for portions of the property abutting a public right-of-way or residential district shall be 15 feet.
- (3) *Lot coverage.* Buildings shall not cover more than 60 percent of the lot area.
- (4) *Building height.* No building shall exceed a height of 65 feet above grade, except that multifamily developments in accordance with the requirements of the R-5 zone may be approved.
- (c) Other applicable use standards.
- Site plan review shall be required as outlined in section 125-313.
 - Accessory buildings shall comply with all yard, lot coverage and building height requirements of this chapter.
 - Every lot shall abut a street other than an alley for at least 50 feet.
 - Materials or objects which would detract from the open space character of an uncovered or unenclosed area will not be permitted in such an area.
 - All uses will comply with applicable access, parking and loading standards in sections 125-315 and 125-316.
 - Conditional uses will meet the requirements in sections 125-235 through 125-247.
 - Signs will comply with standards referred to in section 125-310.
 - All other applicable ordinance requirements will also be satisfied.
 - An adult establishment is not permitted in C-3 unless the adult establishment is at least:
 - One thousand feet from any other adult establishment;
 - Four hundred feet from any established church, public or private school, public playground or public park;
 - Four hundred feet from any areas zoned E-1, R-1, R-2, R-3, R-4, or R-5.
 - For purposes of the distance limitations contained in subsection (c)(9) of this section, the measurement shall be made by extending a straight line from the main entrance of the building of the adult establishment to the:
 - Front door of the main building occupied by any other adult establishment or any established church; or
