MESA ATTRACTIONS

MESA ELLIOT TECHNOLOGY PARK

Mesa Elliot Technology Park is a master-planned business park located just east of the loop 202. The business park sits on a total land area of 270 acres and will feature 2.8 million square feet of office, industrial, and commercial space. Cyrus One, a premier global data center has purchase 68 acres to develop its data center cloud campus at the park. Build to Suit, ground leases, and land sales are all options for businesses looking to expand to this development, bringing jobs and a positive economic impact on the city of Mesa.

ARIZONA STATE UNIVERSITY

Mesa's City council approved a 99-year lease that will bring Arizona State University to downtown Mesa. The project is estimated to cost \$70 million and will feature a 115,000 square foot building and a two-acre plaza. Arizona State University is ranked #1 in innovation by the U.S. News and World Report and plans to grow its film and media programs in Mesa. The university's presence and increase in student population is anticipated to help generate an economic impact of \$9.2 million annually.

FALCON FIELD DISTRICT

AQST Space Systems announced that they will be moving their headquarters to Mesa's Falcon District. Mesa's Falcon District is centered around Falcon Field Airport, a general aviation port owned by the City of Mesa that serves as a relief to Phoenix sky Harbor and Phoenix-Mesa Gateway Airports. By the end of 2018, the AQST Space Systems facility will be fully operational and support up to 125 employees. In addition, Piper Plastics Inc. will invest \$10 million to build a new facility that will support more than 175 new jobs over the next three years.

MESA EMPLOYMENT

MESA EMPLOYMENT

Mesa, AZ is a growing center for employment that boasts jobs in aviation, defense, healthcare, and technology fields. The city prides itself on having an abundant, affordable, and high quality workforce that can meet the needs of all companies. Leading employers like Boeing, Lockheed Martin and Banner Medical Center benefit from Mesa's well educated workforce. More than 33% of Mesa's workforce have an associates degree or higher. The labor force in the Phoenix-Mesa MSA has seen an increase of 11.8% from 2006-2016. In addition to the current workforce, more than 30,000 students are enrolled in Mesa higher education, including Arizona State University's Polytechnic Campus located at Mesa-Gateway Airport, Mesa
