A Thriving Retail Destination

Springs Plaza

Springs Plaza has become a true community gathering place where families linger, neighbors meet up and people come not just to shop but to spend time. The plaza's atmosphere continues to grow more lively, with Little Wekiva Brewery bringing regular events and a fun, social vibe, paired with a diverse mix of dining and coffee concepts that give visitors more reasons to stay and spend time in the plaza's courtyard.

The momentum at Springs Plaza is building with new additions like Anytime Fitness, opening at the end of the year, and the expanding Children's Center, which will serve even more local families. Existing favorites are enhancing the experience as well: First Watch is adding additional outdoor seating, Foxtail Coffee recently opened its doors and Tropical Smoothie Café is coming soon. With more activity, energy, and reasons to stay, Springs Plaza has evolved into a vibrant welcoming destination woven into everyday community life.
