# ZONING

**1801 NW 54<sup>TH</sup> ST**

## SUBJECT ZONING

**T5-O**

Located within an active and rapidly evolving section of Liberty City, T5-O zoning permits a versatile range of commercial uses including retail, office, and mixed-use, in addition to multi-family, supporting meaningful long-term redevelopment optionality as the corridor matures.

Notably situated adjacent to one of Miami's coveted T6-8-O zoning districts, Florida's Live Local Act unlocks the ability to match that district's height allowances in addition to the highest density allowed in the entire City — placing this property within reach of transformative development potential without requiring a re-zone. As capital continues flowing West of I-95, this location aligns the asset with the next wave of Liberty City's long-term growth trajectory.
