This place is amazing! The pictures don't do it justice! It's so swanky and unique! It's clean and so spacious! Every bedroom gave each couple their privacy but then the living area was plenty big for all of us to fit comfortably. The owners were very responsive and helpful. We enjoyed our weekend and highly recommend Ben and Melinda's place!

The property was very beautiful. I don't think the pictures even do it justice. Plenty of room for our group of 11. Entire space was very clean and didn't come across any issues at all. Location is great, several bars and restaurants within walking distance. Everyone in the group was very pleased with the property. Would definitely recommend.

We had such a wonderful time staying at the Parliament. The place was absolutely gorgeous and very clean. We had plenty of space while still feeling cozy. There are plenty of bars and restaurants within walking distance and the bourbon bar downstairs was excellent! 10 out of 10 would stay again! Thanks for a perfect stay.

The property was exceptional. It was modern, spacious and very well appointed and could accommodate my group of 12 without feeling squeezed. The flow from bedrooms/bathrooms to kitchen and living areas was very nice. The large table in the dining area and sets of couches and swivel chairs easily accommodated my group. The kitchen had ample glassware and silverware. The appliances are modern. The bedrooms/bathrooms had clean towels, linens, pillows etc and were of high quality. The apartment is located on the 3rd floor of an old building. A lot of thought (and expense) must have gone into the renovation done in the property. The hosts were fantastic. They provided timely and detailed instructions on the property. I had sent messages to them during my stay and I'd usually get a responses within the hour. I would highly recommend this apartment.

The location and design of this rental is great for the small town feel that Frankfort exudes. Our party of 12 adults/6 couples each had private rooms and had a great time exploring the local distilleries, restaurants, Keeneland racetrack and, of course, the hip feel of the House of Commons bar right downstairs. Thanks Ben!

We loved the location of the Parliament Penthouse. The interior design was great and the spot boasts some amazing views of downtown Frankfort. It was very quiet and very welcoming. Bonus points for being well situated to local bars and restaurants. The setup is very well situated for couples sharing the AirB&B. We didn't want to check-out. Thanks for a great stay and being super responsive hosts! We will definitely be back.

Beautiful place, this was a group outing and for 6 beautiful bedrooms and 5 awesome bathrooms it's actually a really cheap option compared to hotels. close to Buffalo Trace and Woodford, and there's an amazing bourbon bar downstairs

Not enough good things can be said about this place! It was absolutely amazing. Great bourbon choices as well as a few other options for non bourbon lovers. The owner was behind the bar and he was extremely knowledgeable and friendly. We will come back just to stop to visit this place again!

Great atmosphere, decor, and staff. Stopped in for a drink and ended up circling back again after walking downtown. Unique drinks and an amazing selection of high end pours. Dave was great. Thumbs up from Wisconsin!
