

You will be a family
member at Crown
Assisted Living

Our Location

a convenient, accessible location

Tucked away in a park area, quaint, quiet residential neighborhood and convenient to churches, shopping and medical facilities, the Crown is located just minutes from charming downtown New Smyrna Beach and approximately three miles from the Atlantic Ocean. If you are not listening to a live performance or going to the beach, you might find yourself playing bingo, card games, making a craft, watching a movie or taking a casual walk.
