GREENWOOD

NEIGHBORHOOD ANALYSIS - SEATTLE, WA

Greenwood is a diverse neighborhood that straddles the northern edges of Ballard and Green Lake, extending north to the edge of Seattle, its boundary with Shoreline. Like so many parts of Seattle, Greenwood started out as its own city, but later saw the advantages of annexing to Seattle. Greenwood and 85th is the main commercial center for the neighborhood, housing a number of restaurants and food stores that exemplify the area's diverse population. The neighborhood is down-to-earth, an even mix of single-family homes, apartment buildings from various eras, and townhomes. Since 1993 the neighbor-

hood has hosted the "Greenwood Classic Car Show" on the last Saturday in June. Another event is the "Greenwood Seafair Parade", held on the fourth Wednesday in July. Both events draw tens of thousands of visitors to the neighborhood annually.
