Situated directly on Ocala's historic Downtown Square, this premier Class A commercial suite offers a prime, highly trafficked location in one of the city's most vibrant and popular destinations. Located on the second floor and fully accessible by a secure elevator, the impressive space features 7,411 Usable Square Feet (USF) and 8,754 Rentable Square Feet (RSF), providing a large and versatile footprint for your business operations. The entire suite was completely renovated within the last few years to incorporate modern, high-end finishes, seamlessly combining a contemporary aesthetic with professional functionality.

The current layout is set up for a "Co-Work" space, making it ideal for collaborative environments. The floor plan allows for excellent and easy reconfiguration options if your business requires a different setup. Large windows throughout the suite provide great views of downtown Ocala and bring in excellent natural light. Onsite parking may be available, with spot allocation to be negotiated as part of lease. Ample public parking on streets as well as a neighboring parking garage is also available.

This location offers exceptional walkability to local amenities, including food, shopping, and personal services. The high walkability factor serves as a major draw for both clients and employee retention. Step right outside the front doors into a lively landmark district packed with premier local dining, exceptional cafes, boutique shopping, and convenient personal services.

EXCELLENT LOCATION ON OCALA'S DOWNTOWN SQUARE

Expenses/Load Factor Calculated as Follows:

1. Common Area FL 2 @ 1,777 SF = 5.53% of Building (x) Total CAM Charges = Load Factor of Floor 2
2. Available Suite is 75.57% of Floor 2 Load Factor using (7,411SF / 9,806SF = 75.57%)
3. Common Area of 1,777 SF x 75.57% = 1,343 SF of Common Area Applicable to Available Suite
4. 7411SF + 1343SF = 8754 {RSF} / 7411 {USF}
5. Common Area {1343 SF} / 7411 SF {USF} = 18.12% Load Factor with 8754 {RSF} used for calculating totals
