NOTE.

The word "Certifies" is defined as follows for the plot: "A Design Professional's Opinion based on his or her observation of conditions, knowledge, information and beliefs. It is expressly understood that the Design Professional's Certification of a condition's existence relieves no other party of any responsibility or obligation he or she has accepted by contract or custom."

I hereby certify that said survey:

1. Was made on the ground and is correct.
2. Delineates all property lines and shows the location of all utilities serving this property.

3. Shows the location of all visible or recorded easements, rights-of-way and other matters affecting the subject property based on information

4. Show the names of owner and the location of substantially equal annuity.

of all adjoining streets.

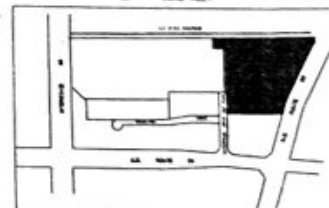

Authors' disclosures of potential conflicts of interest and author contributions are found at the end of this article.

5. There are no encroachments upon the boundary lines of the subject property or upon any other adjacent areas located as shown in the survey.
 6. Not the ingress and egress to the subject property is provided by Enterprise Road (see Note 7) upon which the subject property fronts, the same being a paved and dedicated public right-of-way maintained by the City of Chicago.
 7. The subject property does not serve and is not served by any existing property for drainage, ingress and egress or any other purpose, except as set out in the Survey of the subject property, Messersmith & Wyle, Inc., 300 Dearborn Street, L.L.C., 1000 Dearborn Street, L.L.C., Chicago, Illinois, dated April 7, 1998 with a file No. of 24-1013.
 8. The street address of the subject property is 415 Avenue Road, Chicago, Illinois.
 9. This property contains 13.28 acres.
 10. This property is comprised of one parcel as described herein.
 11. No portion of the property is located in an area having special flood hazard records created by the Federal Emergency Management Agency's Flood Insurance Rate Study project, as shown on the Flood Insurance Rate Study (FIRM) 05050-B, effective date December 18, 1985.
- I do further certify that this plat and the Survey on which it was based were made in accordance with "Minimum Standard Detail Requirements for AIA/ACSM Land Surveying" as adopted by building, zoning or ordinance have been shown on this plat, partly established and adopted by AIA/ACSM in 1997 and includes them 1, 2, 3, 4, 10 and 11 of Items A through I, and includes the minimum standards for the survey.
