An additional 7 +/- acre parcel is available for purchase as well, see MLS #: G5053829 for more information. Acreage in flood zone is unknown. It is up to buyer to verify how much is in the flood zone. These parcels are on the up and coming State Road 44. Approximately 1,426ft of frontage on SR 44 and close to everything. Currently zoned Agricultural. If wanting to develop it, property would need to be annexed into the City of Leesburg along with a zoning and land use change for whatever the purpose may be.
