

# innovation park

unlike anything, anywhere.

# fitness

@innovation park

The fitness center at Innovation Park is getting an upgrade. Take on the 90-foot turf strip with CrossFit gear like sleds, battle ropes, and TRX ropes, or step into the turfed boxing area with heavy bags and a speed bag. Boost your cardio with new treadmills, Peloton, and AssaultBikes, rowers, and Jacob's Ladder. Enjoy the private recovery zone with foam rollers and Hyperice massage tools, along with refreshed locker rooms, completing the all-in-one wellness upgrade.

Raise your pulse.

**bike**

@innovation park

Our shared bicycle program gives you the opportunity to grab a midday adventure. Trade your office chair for complimentary bike seat and take a spin around campus. The process is easy as 1, 2, 3...

Alternate fuel...you.

# conference

@innovation park

Our Conference Centers were crafted to meet your company's meeting space needs. Whether you have a corporate retreat, company meeting, or your next big pitch, we have what you need to make magic happen. Complimentary Wi-Fi and projector system make setup a breeze.

**THE STAGE**  
250 PERSON

**ROOM A**  
100 PERSON

**ROOM B**  
50 PERSON

**ROOM C**  
30 PERSON

Ideal presentation places.

# living room

@innovation park

The Living Rooms are just the place to unleash your potential, and find the power to transform your ideas into action. Stimulate your imagination by getting out of your everyday routine and into comfortable sofas and oversized lounge chairs. Let this relaxing environment awaken your creativity.

Meeting rooms with a soul.

# mother's room

@innovation park

Our Mother's Rooms were created to provide a quiet and peaceful space for nursing mothers. Each room is outfitted with a comfortable chair, power outlet and sink.

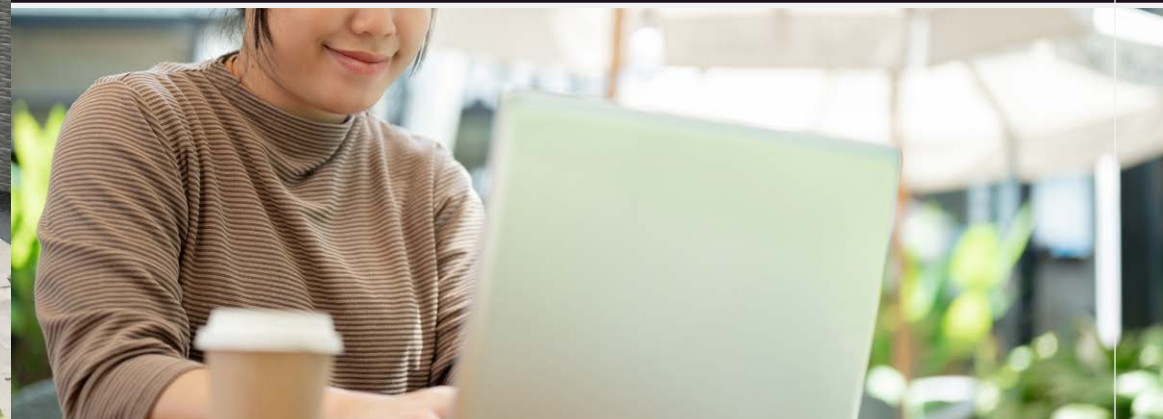

A special place for privacy.

# nature lounge

@innovation park

It's amazing how a little fresh air can enhance your workday. The Nature Lounges let you have a brainstorm meeting with complimentary Wi-Fi, take a stroll, catch some rays, or enjoy lunch outside...and within feet of your office.

Connect to the cloud.

**bistro**

@innovation park

Take a taste bud journey through Bistro's FOOD HALL featuring Ventura Market & Deli, Forks Diner, Community Garden, Latest Happenings Action Station, Java, and Here Now Pop-Up Arena!

Crafted by Food For Thought.

The innovative spirit at Innovation Park extends all the way to the parking facilities. Dedicated charging stations for Plug-in Electric Vehicles (PEVs) are offered right here on campus.

Get charged.

Java is where you'll get your motor running in the morning or reward yourself for a job well done. From coffee and tea to sandwiches, snacks and homemade muffins, Java brings innovation to the coffee break.

Daily grind.

**central**  
@innovation park

If you are looking for a relaxing space where you can get on your laptop, brainstorm or meet up with friends, then you'll enjoy breakout spaces in Central.

Connect. Collaborate. Create.

# games

@innovation park

Break away from an ordinary workday and score some fun. Rack 'em up at the pool tables, challenge a colleague to a game of hoops, or perfect your golf swing. Take some time out, relax and get your game on here.

Play your own way.

**teamworx**

@innovation park

Teamworx brings you and your colleagues some healthy competition. Grab your team and head outside for a fun game of basketball or volleyball on one of our outdoor courts.

Get your game on.

Our on-site farmers' market is open for business bi-weekly in the summer months. Make your quick picks from a colorful array of tasty and healthy local organic fruit and veggies. You'll also love the convenience of buying award-winning jellies and jams, fresh-baked pastries and more!

Locally sourced.

**autocare**

@innovation park

Show your shine with convenient on-site car wash and detailing services. Have your car sparkling without having to leave your desk.

Service at your fingertips.
