Welcome

Third Street South, is a four-square block area a stones throw from the Gulf of Mexico, full of sophisticated shops, award winning restaurants, courtyards, antique fountains, and lush colorful landscaping.

Launched as a special destination just after World War II by an internationally traveled heir to a major U.S entity, people of similar interests and tastes followed.

The principles of Third Street South carefully maintain the original commitment of a mix of stores and restaurants that are excellent and make the whole more than the sum of its parts.

We would be glad to talk to those who are interested in a similar vision. High end retail, national award-winning food and drink leasing options to be discussed.
