Amended and Restated Notice of Imposition of Special Levy

## MONTECITO ESTATES PUBLIC IMPROVEMENT DISTRICT

AMENDED AND RESTATED  
NOTICE OF IMPOSITION OF SPECIAL LEVY

THIS DOCUMENT IS AN AMENDED AND RESTATED VERSION OF THE NOTICE OF IMPOSITION OF SPECIAL LEVY RECORDED ON SEPTEMBER 7, 2007 IN THE REAL PROPERTY RECORDS OF BERNALILLO COUNTY, NEW MEXICO AS DOC# 2007128963 AND IS RECORDED FOR THE PURPOSE OF IMPLEMENTING THOSE MODIFICATIONS TO EXHIBIT A OF THE RATE AND METHOD OF APPORTIONMENT OF SPECIAL LEVY SET FORTH IN THE CERTIFICATE TO AMEND EXHIBIT A OF THE RATE AND METHOD OF APPORTIONMENT OF SPECIAL LEVY DATED JULY 13, 2009, ALL OF WHICH ARE ATTACHED HERETO AS EXHIBIT B.

NOTICE IS HEREBY GIVEN pursuant to Section 5-11-20, NMSA 1978 of the imposition of a special levy ("Special Levy") by the Montecito Estates Public Improvement District (the "District") on the real property located within the District (more particularly described in the attached Exhibit A, which is hereby incorporated into and made a part of this Notice). The maximum annual amount of the Special Levy (which secures the payment of debt service on the District's Special Levy Revenue Bonds) shall not exceed \$453,240 per year in aggregate within the District, except as otherwise provided in the Rate and Method of Apportionment of Special Levy (the "Special Levy Rate and Method"), which is attached hereto as Exhibit B and is hereby incorporated into and made a part of this Notice.

The Special Levy will be apportioned on the basis of the product type that can be constructed on the lot which is generally a function of lot width. The Special Levy is not expected to exceed \$75.00 per month for any lot greater than or equal to 70' in width, \$70.00 per month for any lot greater than or equal to 60' in width but less than 70' in width, \$60.00 per month for any lot greater than or equal to 50' in width but less than 60' in width, and \$50.00 per month for any lot less than 50' in width. Lots which are not square are assigned to the classification which corresponds to the product type to be constructed. For example, a lot which is not square but on which the product to be constructed is designed for a standard 45' wide lot will be assigned to the category for lots less than 50' in width. The product type applicable to each lot is shown on "Exhibit A" to the Special Levy Rate and Method. In order to insure fairness, the Special Levy amounts are uniformly applied within each classification.

Prior to May 1 of each year in which the Special Levy is imposed, the District will reapportion the Special Levy to the legal parcels established within the District and existing as of the time of reapportionment, in accordance with the Special Levy Rate and Method. The Special

Levy will be imposed during each year in which District Bonds are outstanding, and will be allocated to real property within the District in accordance with the following steps<sup>1</sup>:

- First, the Special Levy shall be collected from each Parcel of Developed Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy;
- Second, if additional monies are needed to fund the Special Levy Requirement after the first step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy; and
- Third, if additional monies are needed to fund the Special Levy Requirement after the second step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy.

As provided in Section 5-11-20 NMSA 1978, the Special Levy constitutes a lien on property located within the District, having a priority coequal to the lien of property taxes. The Special Levy shall be subject to foreclosure by the District at any time after six months following written notice of delinquency to the owner of the real property to which the delinquency applies. The lien shall include delinquencies, penalties and interest thereon at a rate not to exceed the maximum legal rate of interest per year and penalties otherwise applicable.

Pursuant to Sections 5-11-23(F) and 5-11-20(G), NMSA 1978 and Section (4)(L) of the Formation Resolution enacted by the City of Albuquerque on June 18, 2007, the District has established the following foreclosure and redemption procedures for delinquent Special Levies:

(i) The District shall have the power to institute foreclosure proceedings against a delinquent special levy after six months following written notice of the delinquency to the owner of the real property to which the delinquency applies. Delinquencies shall be determined as follows:

a. On or before December 15 and May 15 of each year in which the Special Levy is in effect, the District Treasurer shall review the public records of Bernalillo County relating to the collection of the Special Levy in order to identify the real property to which any Special Levy delinquency applies.

b. Within 60 days after identifying delinquencies in payment of the Special Levy in each year in which the Special Levy is in effect, the District shall provide written notice of delinquency ("Notice") to the owners of any parcel determined to be delinquent, which Notice shall state (1) the amount of the delinquency as of the date of the Notice applicable to the parcel, (2) that the delinquency, including applicable interest and penalties, must be cured within 180 days following the date of the Notice (the "Notice

---

<sup>1</sup> Capitalized terms used in the following description of the apportionment of the Special Levy and not otherwise defined in this Notice shall have the meanings assigned to them in the Special Levy Rate and Method attached hereto as Exhibit B.

Date”), and (3) if the delinquency is not cured within that 180-day period, the District or its designee shall have the power to commence foreclosure proceedings with respect to the real property to which the delinquency applies.

c. Following the expiration of the 180 day period provided in a Notice, the District shall have the power to institute foreclosure proceedings with respect to all parcels or tracts for which a Notice has been provided.

(ii) Any delinquent special levy shall be subject to foreclosure in the manner provided by law for the foreclosure of mortgages on real estate, except as otherwise provided herein.

(iii) In any action seeking the foreclosure of a special levy lien after special levy bonds have been issued, if there is no other purchaser for the tract of land having a delinquent special levy, the District or other trustee of the funds from which special levy bonds are to be paid, may:

a. Purchase the tract or parcel sold at the foreclosure sale.

b. Bid, in lieu of cash, the amount of the special levies, interest, penalties, attorneys’ fees, and costs found by the court to be due and payable under the resolution creating the lien and any cost taxed by the court in the foreclosure proceedings against the property ordered sold.

c. Upon the purchase of the tract or parcel, title to the tract or parcel of land, subject to the right of redemption provided by paragraph (vi) of this section, vests in the trustee of the fund from which the special levy bonds are payable.

(iv) No real property shall be sold to satisfy a delinquent levy until at least fifteen days after the date of the order, judgment or decree of the court, within which time the owner of the tract or parcel of land may pay off the decree and avoid the sale.

(v) After the expiration of the fifteen-day period, the property may be sold at a public or private sale subject to the right of redemption.

(vi) Any property sold under any order, judgment, or decree of court to satisfy the special levy lien may be redeemed at any time within one year of the date of sale by the owner or mortgage holder or other person having an interest, or their assigns, by repaying to the purchaser or his assign the amount paid plus interest from the date of purchase at the lesser of twelve percent per year or the maximum legal rate.

(vii) The proceeds of the sale of the foreclosed tract or parcel of land at either a public or private sale shall be applied as follows:

a. First, to the payment of costs in giving notice of the sale and of conducting the sale;

b. Second, to costs and fees taxed against the tract or parcel of land in the foreclosure proceedings;

c. Third, on a pro rata basis, to the indebtedness claimed under the special levy lien and any other lien on the property that has a priority co-equal to the special levy lien; and

d. Fourth, after all costs, liens, levies, assessments, and taxes are paid to the former owner, mortgage holder or other parties having an interest in the tract or parcel, upon the foregoing person's providing satisfactory proof to the court of the interest and upon approval of the court.

(viii) Receipts for the satisfaction of the indebtedness claimed under the special levy lien shall be paid into the proper District fund for payment of the principal of and interest on the special levy bonds.

(ix) No public rights of way or public property shall be subject to foreclosure by the District.

Prior to the recordation of the Final Plat, the Maximum Annual Special Levy for a Parcel of Levyable Property shall be determined by multiplying the expected number and classification of Residential Lots for such Parcel, as determined from Exhibit A, by the corresponding Maximum Annual Special Levy amounts set forth in Table 1 on the following page.

<p style="text-align: center;"><b>TABLE 1</b> <b>MONTECITO ESTATES PID</b> <b>MAXIMUM ANNUAL SPECIAL LEVY</b></p>		
LEVY CLASSIFICATION	ANTICIPATED RESIDENTIAL LOTS	MAXIMUM ANNUAL SPECIAL LEVY
(1) Lot Width $\geq 70'$ <sup>1</sup>	114	\$900 / Residential Lot
(2) Lot Width $\geq 60'$ and $< 70'$ <sup>2</sup>	173	\$840 / Residential Lot
(3) Lot Width $\geq 50'$ and $< 60'$ <sup>3</sup>	186	\$720 / Residential Lot
(4) Lot Width $< 50'$ <sup>4</sup>	119	\$600 / Residential Lot

## 2. Reduction in Maximum Annual Special Levies

If at any time the Administrator determines that there has been or will be a reduction in the Maximum Annual Special Levies as a result of an amendment to Exhibit A, a reduction in the number of Residential Lots, or other event which reduces the Maximum Annual Special Levies such that the annual debt service coverage ratio is less than one hundred ten percent (110%), then at the discretion of the District Board either (i) the Maximum Annual Special Levy for the Parcel(s) located in the Preliminary Plat(s) or Final Plat(s) in which such a reduction has or will occur shall be increased pursuant to C.2.a below to compensate for the reduction or (ii) a prepayment shall be made pursuant to C.2.b below. Each year's annual debt service coverage ratio shall be determined by dividing (i) such year's reduced Maximum Annual Special Levies less estimated Administrative Expenses by (ii) the sum of the corresponding annual interest and principal payments on the Bonds.

### a. Adjusted Maximum Annual Special Levy

If the District Board determines that the Maximum Annual Special Levy shall be increased to compensate for the reduction, the then applicable Maximum Annual Special Levy for the subject Parcels shall be increased by multiplying such Maximum Annual Special Levy by a quotient the numerator of which is equal to the sum of (i) the then applicable Maximum Annual Special Levies for the subject Parcels and (ii) the amount by which the Maximum Annual Special Levies for the District is less than the sum of the estimated Administrative Expenses and one hundred ten percent (110%) of the annual interest and principal payments on the outstanding Bonds and the denominator of which is equal to the then applicable Maximum Special Levies for the subject Parcels, taking into consideration the changes resulting in the reduction. Note, no adjustment shall be made prior to the sale of Bonds.

<sup>1</sup>In other words, lots designated "D" on Exhibit A.

<sup>2</sup>In other words, lots designated "C" on Exhibit A.

<sup>3</sup>In other words, lots designated "B" on Exhibit A.

<sup>4</sup>In other words, lots designated "A" on Exhibit A.

**b. Prepayment of Reduction**

If the District Board determines that the reduction in the Maximum Annual Special Levies shall be prepaid, such prepayment amount shall be computed pursuant to Section H, with the following modifications:

- The difference between the Maximum Annual Special Levies required for one hundred ten percent (110%) debt service coverage and the amount to which the Maximum Annual Special Levies have been reduced shall serve as the numerator when computing Principal; and
- The Maximum Annual Special Levies necessary for the annual debt service coverage ratio to equal 110% shall serve as the denominator when computing principal.

**3. Exhibit A Amendments**

Exhibit A may be amended pursuant to an executed certificate, the form of which is attached as Exhibit B. Any amendment to Exhibit A approved by the District Board shall be recorded with the County Clerk.

**D. APPORTIONMENT OF ANNUAL SPECIAL LEVY**

Commencing with Fiscal Year 2007-2008 and for each following Fiscal Year, the District Board shall apportion the Annual Special Levy to each Parcel of Levyable Property in equal percentages until the Annual Special Levies equal the Special Levy Requirement, provided the Annual Special Levy for any Residential Lot does not exceed its Maximum Annual Special Levy, in accordance with the following steps:

First: The Annual Special Levy shall be collected from each Parcel of Developed Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy;

Second: If additional monies are needed to fund the Special Levy Requirement after the first step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Platted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy; and

Third: If additional monies are needed to fund the Special Levy Requirement after the second step, the Annual Special Levy shall be collected from each Parcel of Undeveloped Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy.

Equal percentages means the Annual Special Levy for each Parcel of Developed Platted Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Developed Platted Property; the Annual Special Levy for each Parcel of Undeveloped Platted Property, computed as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Undeveloped Platted Property; and the Annual Special Levy for each Parcel of Undeveloped Property, computed

as a percentage of its applicable Maximum Annual Special Levy, is the same as for all other Parcels of Undeveloped Property.

#### **E. MANNER OF COLLECTION**

The Annual Special Levy shall constitute a lien on the property subject thereto which shall have priority co-equal to the lien of general ad valorem property taxes. The Annual Special Levy will be billed by the County in the same manner and at the same time as general ad valorem property taxes and will appear as a separate item on the property tax bill for real property within the District as that property is identified on the tax roll on January 1 of each year in which the Annual Special Levy is in effect. As provided in the Act, the District has established foreclosure remedies which shall apply following nonpayment of the Annual Special Levy, which are referred to in the Notice of Imposition of Special Levy. Under those procedures, the Annual Special Levy is subject to foreclosure by the District beginning six months after written notice of delinquency is provided to the owner of the real property to which the delinquency applies. The lien of the Annual Special Levy includes delinquencies, penalties and interest thereon at a rate not to exceed the maximum legal rate of interest per year and penalties otherwise applicable.

#### **F. TERM**

The Annual Special Levy shall cease to be levied and collected following the payment of all scheduled interest, principal, and premium, if any, for the Bonds.

#### **G. EXEMPTIONS**

Property exempt from the Annual Special Levy consists of (i) Association Property and (ii) Public Property.

#### **H. PREPAYMENT**

The Maximum Annual Special Levy for the current and all remaining Fiscal Years through the final maturity of the outstanding Bonds for any Parcel may be prepaid in full or in part and the obligation of the Parcel to pay that portion of the Maximum Annual Special Levy that has been prepaid permanently satisfied as described herein, provided that a prepayment may be made only if there are no outstanding delinquent Annual Special Levies with respect to such Parcel and all other Parcels under the same ownership at the time of prepayment. An owner of a Parcel intending to prepay the Maximum Annual Special Levy shall provide the District Board with written notice of intent to prepay and the amount of the Maximum Annual Special Levy to be prepaid. Within 30 days of receipt of such written notice, the District Board or its designee shall notify such owner of the prepayment amount for such Parcel and the date through which such prepayment shall be valid.

##### **1. Full Prepayment**

A "Full Prepayment" means an amount equal to (a) the sum of (1) Principal, (2) Premium, (3) Defeasance, and (4) Fees minus (b) the sum of (1) the Reserve Fund Credit and (2) the Capitalized Interest Credit, if provided for in the Indenture, where

the terms "Principal," "Premium," "Defeasance," "Fees," "Reserve Fund Credit," and "Capitalized Interest Credit" have the following meanings:

**"Principal"** means the principal amount of Bonds to be redeemed and equals the quotient derived by dividing (i) the then applicable Maximum Annual Special Levy for the Parcel intending to prepay by (ii) the corresponding Maximum Annual Special Levies for the District, (and excluding from (ii) any Maximum Annual Special Levies for Parcels which have been previously prepaid), and multiplying the quotient by the principal amount of outstanding Bonds.

**"Premium"** means an amount equal to the Principal multiplied by the applicable redemption premium, if any, for any Bonds so redeemed with the proceeds of any such prepayment.

**"Defeasance"** means the amount needed to pay interest on the Principal to be redeemed until the earliest redemption date for the outstanding Bonds less any Annual Special Levies heretofore paid for such Parcel and available to pay interest on the redemption date for the Bonds.

**"Fees"** equal the expenses of the District associated with the Prepayment as calculated by the District Board or its designee and include, but are not limited to, the costs of computing the Full Prepayment, the costs of amending any Annual Special Levy previously enrolled with the County, the costs of redeeming the Bonds, and the costs of recording and publishing any notices to evidence the prepayment of the Maximum Annual Special Levy and the redemption of Bonds.

**"Reserve Fund Credit"** shall equal the lesser of (i) the Reserve Fund Requirement (as such term is defined in the Indenture) multiplied by the quotient used to calculate Principal or (ii) an amount determined by subtracting the Reserve Requirement in effect after the redemption of Bonds from the balance in the Reserve Fund (as such term is defined in the Indenture) on the prepayment calculation date, provided that the amount determined is not less than zero.

**"Capitalized Interest Credit"** shall equal the reduction in interest payable on the Bonds due to the redemption of Principal from the Full Prepayment from the redemption date for the Bonds redeemed from the Full Prepayment to the end of the capitalized interest period, as determined by the Board or its designee. No capitalized interest credit is given if the redemption date for the Bonds redeemed from the Full Prepayment is after the capitalized interest period.

The sum of the amounts calculated in the preceding steps shall be paid to the District and shall be used to (a) pay interest and principal on Bonds, (b) redeem Bonds in accordance with the Indenture, and (c) pay Fees associated with the Full Prepayment. Upon the receipt of the Full Prepayment by the District and the deposit of such funds

with the Trustee, the obligation to pay the Maximum Annual Special Levy for such Parcel shall be deemed to be permanently satisfied, the Maximum Annual Special Levy shall not be levied thereafter on such Parcel, and the Administrator shall cause a notice of cancellation of the Maximum Annual Special Levy for such Parcel to be recorded.

## **2. Partial Prepayment**

A "Partial Prepayment" means an amount computed pursuant to the preceding Section H.1 by substituting (i) the portion of the Maximum Annual Special Levy to be prepaid for the term Maximum Annual Special Levy when computing Principal and (ii) the term "Partial Prepayment" for the term "Full Prepayment."

Notwithstanding the foregoing, no Full Prepayment or Partial Prepayment shall be allowed unless the amount of Maximum Annual Special Levy that may be collected after the proposed prepayment is at least the sum of (i) the estimated Administrative Expenses associated with and/or allocable to the Special Levy Requirement and (ii) one hundred ten percent (110%) of the debt service for the Bonds issued and outstanding, taking into account the amount of Bonds to remain outstanding after such prepayment.

## **I. AMENDMENTS**

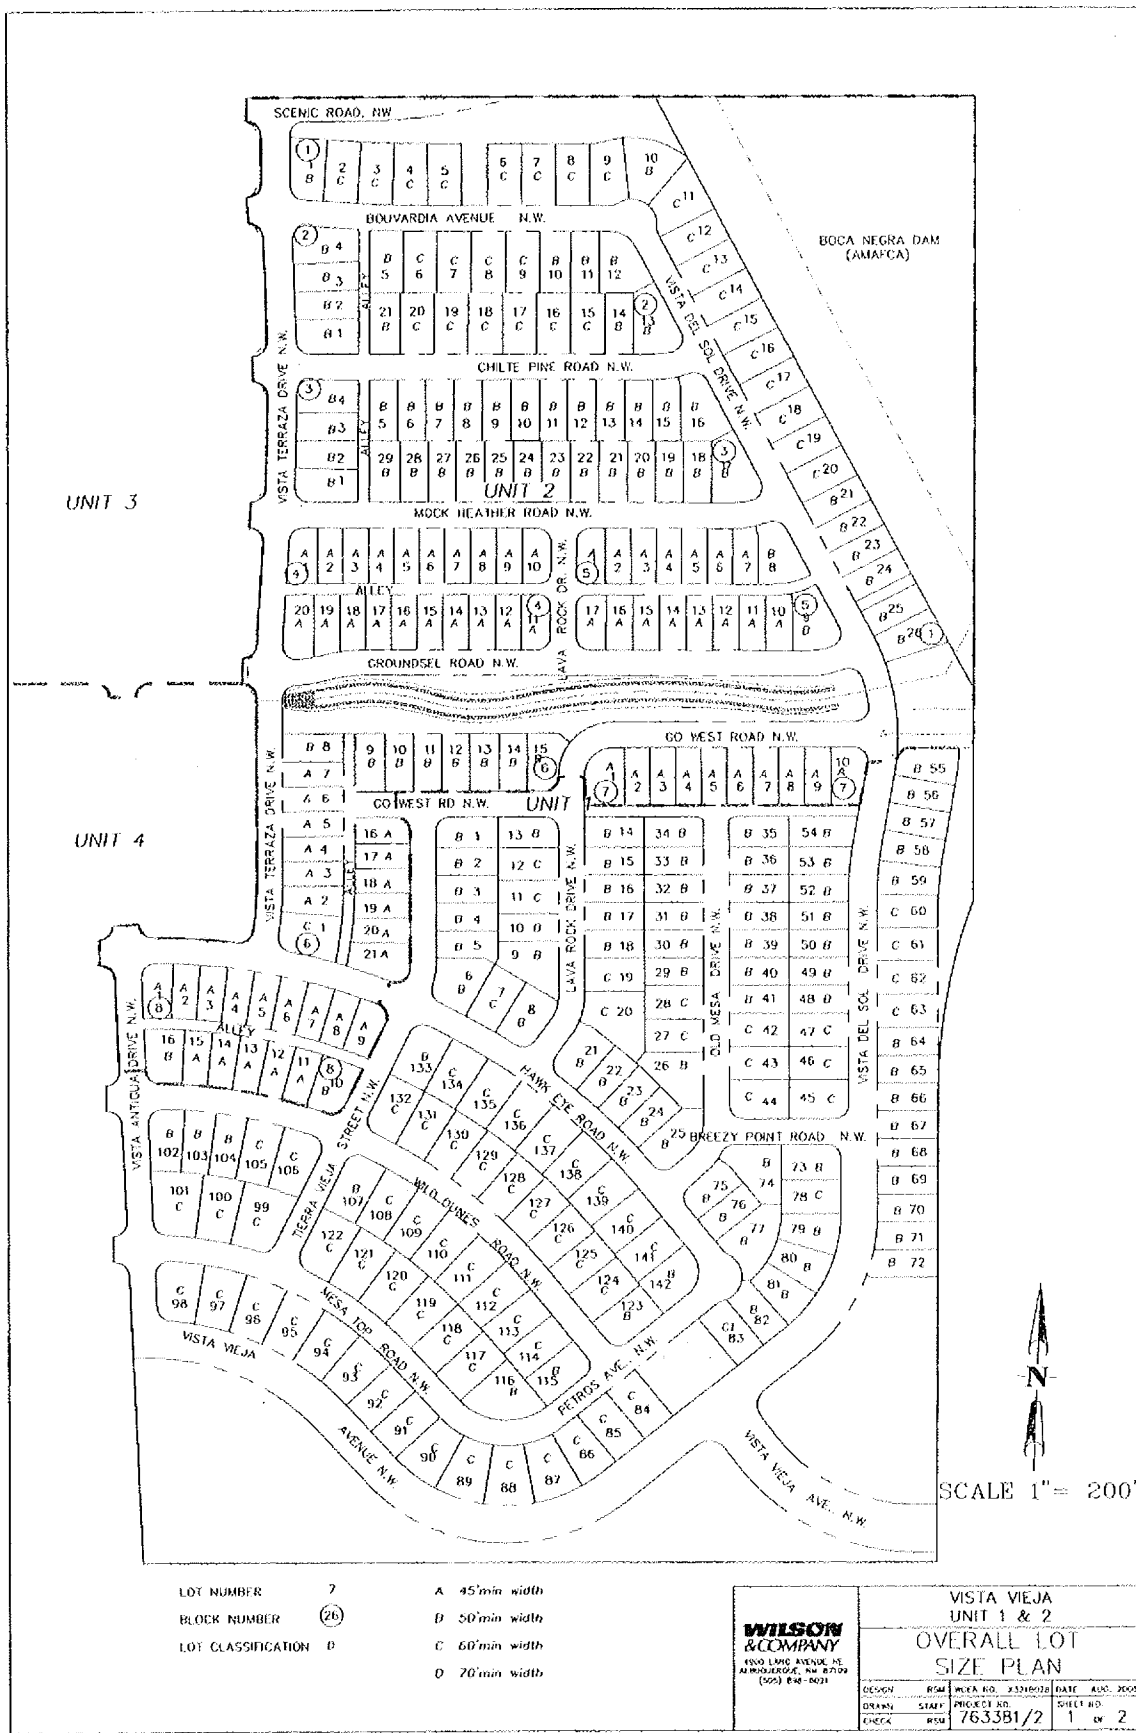

This Rate and Method of Apportionment of Special Levy may be amended pursuant to and to the extent permitted by the Act.
