

Downtown office condo in a historic building

Two units, 403 and 404, side by side on the fourth floor available together or separately.

1853 Hamilton Street, commonly referred to as "The Leader Building." Constructed in 1912, The Leader Building has been designated a heritage property due to the age and history of the building. Much of the building's original character remains intact.

The building also includes a parkade on the basement floor. Purchase of unit 403 includes 2 parking spots, and are available at an additional charge if leased. For unit 404 there is 1 parking spot included, which can be leased at \$200 per month as part of leasing the unit.
