X. CONDITIONS OF APPROVAL / REASONS FOR DISAPPROVAL:

Subject to conditions on state approval.

INSTRUCTIONS

1. A sanitary permit is valid for two (2) years.
2. Your sanitary permit may be renewed before the expiration date, and at a time of renewal any new criteria in the Wisconsin Administrative Code will be applicable.
3. All revisions to this permit must be approved by the permit issuing authority.
4. Changes in ownership or plumber requires a Sanitary Permit Transfer / Renewal Form (SBD-6399) to be submitted to the county prior to installation.
5. Onsite sewage systems must be properly maintained. The septic tank(s) must be pumped by a licensed pumper whenever necessary, usually every 2 to 3 years.
6. If you have questions concerning your onsite sewage system, contact your local code administrator or the State of Wisconsin, Safety and Buildings Division, 608-266-3151.

To be complete and accurate this sanitary permit application must include:

- I. Property owner's name and mailing address. Provide the legal description and parcel tax number(s) of where the system is to be installed.
- II. Type of building being served. Check only one and complete # of bedrooms if 1 or 2 Family Dwelling.
- III. Building use. If building type is public, check all appropriate boxes that apply.
- IV. Type of permit. Check only one on line A. Complete line B if permit is for tank replacement, reconnection, or repair.
- V. Type of system. Check appropriate box depending on system type.
- VI. Absorption system information. Provide all information requested for numbers 1 through 7.
- VII. Tank information. Fill in the capacity of every new or existing tank, list the total gallons, number of tanks and manufacturer's name, indicate prefab or site constructed and tank material. Complete for all septic, pump/siphon and holding tanks for this system. Check experimental approval only if tanks received experimental product approval from DILHR.
- VIII. Responsibility statement. Installing plumber is to fill in name, license number with appropriate prefix (e.g. MP, etc.), address and phone number. Plumber must sign application form.
- IX. County / Department Use Only.
- X. County / Department Use Only.

Complete plans and specifications not smaller than 8 1/2 x 11 inches must be submitted to the county. The plans must include the following: A) plot plan, drawn to scale or with complete dimensions, location of holding tank(s), septic tank(s) or other treatment tanks; building sewers; wells; water mains/water service; streams and lakes; pump or siphon tanks; distribution boxes; soil absorption systems; replacement system areas; and the location of the building served; B) horizontal and vertical elevation reference points; C) complete specifications for pumps and controls; dose volume; elevation differences; friction loss; pump performance curve; pump model and pump manufacturer; D) cross section of the soil absorption system if required by the county; E) soil test data on a 115 form; and F) all sizing information.

GROUNDWATER SURCHARGE

1983 Wisconsin Act 410 included the creation of surcharges (fees) for a number of regulated practices which can effect groundwater.

The monies collected through these surcharges are used for monitoring groundwater contamination investigations and establishment of standards.

We acknowledge the installation of (a) holding tank(s) on the following property: (Provide legal descriptions:)

SW, SE, Sec 9 T34 NR 4 W

1. The owner agrees to file a copy of this contract with the local governmental unit that has signed the pumping agreement required in Ch. ILHR 83.18(4) (b), Wis. Adm. Code and with the County of Rusk.
2. The owner agrees to have the holding tank(s) serviced by the pumper and guarantees to permit the pumper to have access and to enter upon the property for the purpose of servicing the holding tank(s). The owner agrees to maintain the access road or drive so that the pumper can service the holding tank(s) with the pumping equipment. The owner further agrees to pay the pumper for all charges incurred in servicing the holding tank(s) as mutually agreed upon by the owner and pumper.
3. The pumper agrees to submit to the local governmental unit which has signed the pumping agreement required by s. ILHR 83.18 (4) (b), Wis. Adm. Code, and to the County, a report for the servicing of the holding tank(s) on a semiannual basis. The pumper further agrees to include the following in the semiannual report:
 - a. The name and address of the person responsible for servicing the holding tank;
 - b. The name of the owner of the holding tank;
 - c. The location of the property on which the holding tank is installed;
 - d. The sanitary permit number issued for the holding tank;
 - e. The dates on which the holding tank was serviced;
 - f. The volumes in gallons of the contents pumped from the holding tank for each servicing;
 - g. The disposal sites to which the contents from the holding tank were delivered.
4. This agreement will remain in effect until the owner or pumper terminates this contract. In the event of a change in this contract, the owner agrees to file a copy of any changes to this service contract or a copy of a new service contract with the local governmental unit and the County named above within ten (10) business days from the date of change to this service contract.

HOLDING TANK AGREEMENT

This agreement is made between the government unit and holding tank owner(s).

Name and Return Address

Jim Felix
648 Woodward Ave
Clippewa Falls WI 54729

Agreement Date

8 July 99

Holding Tank Owner(s)

Jim Felix

We acknowledge that application is being made for the installation of (a) holding tank(s) on the following property: (Provide legal land description. Use reverse side if additional space is needed)

5W-5E, Sec 9 T34 N84W

or that continued use of the existing premises requires that a holding tank be installed on the property for the purpose of proper containment of sewage. Also, the property cannot now be served by a municipal sewer, or any other type of private sewage system as permitted under Ch. ILHR 83, Wis. Adm. Code, or Ch. 145, Stats.

As an inducement to the

Rusk

to issue a sanitary permit for the above described property, we agree to do the following:

1. Owner agrees to conform to all applicable requirements of Ch. ILHR 83, Wis. Adm. Code relating to holding tanks. If the owner fails to have the holding tank properly serviced in response to orders issued by the government unit to prevent or abate a human health hazard as described in s. 254.59, Stats., the government unit may enter upon the property and service the tank or cause to have the tank to be serviced and charge the owner by placing the charges on the tax bill as a special assessment for current services rendered. The charges will be assessed as prescribed by s. 66.60, Stats.
2. The owner agrees, pursuant to s. ILHR 83.18 (10), Wis. Adm. Code, to have a water meter installed in a new building or new structure. The water meter shall be installed by a plumber authorized by the State to conduct such installations, with said installation complying with State regulations and manufacturers specifications. The owner agrees to be fully responsible for the purchase, installation, maintenance, and repair of the water meter, and agrees to allow the governmental unit to enter the above described property on a regular basis to read and/or inspect the water meter.
3. Owner agrees to pay all charges and cost incurred by the governmental unit for inspection, pumping, hauling, or otherwise servicing and maintaining the holding tank in such a manner as to prevent or abate any human health hazard caused by the holding tank. The governmental unit shall notify the owner of any costs which shall be paid by the owner within thirty (30) days from the date of notice. In the event the owner does not pay the costs within thirty (30) days, the owner specifically agrees that all the costs and charges may be placed on the tax roll as a special assessment for the abatement of a human health hazard, and the tax shall be collected as provided by law.
4. The owner, except as provided by s. 146.20 (3) (d), Stats., agrees to contract with a person who is licensed under Ch. NR 113, Wis. Adm. Code, to have the holding tank serviced and to file a copy of the contract or the owner's registration with the governmental unit. The owner further agrees to file a copy of any changes to the service contract, or a copy of a new service contract, with the governmental unit within ten (10) business days from the date of change to the service contract.
5. The owner agrees to contract with a person licensed under Ch. NR 113, Wis. Adm. Code, who shall submit to the governmental unit and the county on a semiannual basis a report in accordance with s. ILHR 83.18 (4) (a) 2., Wis. Adm. Code, for the servicing of the holding tank. In the case of registration under s. 146.20 (3) (d), Stats., the owner shall submit the report to the governmental unit and the county. The governmental unit or county may enter upon the property to investigate the condition of the holding tank when pumping reports and meter readings may indicate that the holding tank is not being properly maintained.
6. This agreement will remain in effect only until the governmental unit responsible for the regulation of private sewage systems certifies that the property is served by either a municipal sewer or a soil absorption system that complies with Ch. ILHR 83, Wis. Adm. Code. In addition, this agreement may be canceled by executing and recording said certification with reference to this agreement in such manner which will permit the existence of the certification to be determined by reference to the property.
7. This agreement shall be binding upon the owner, the heirs of the owner, and assignees of the owner. The owner shall submit the agreement to the register of deeds, and the agreement shall be recorded by the register of deeds in a manner which will permit the existence of the agreement to be determined by reference to the property where the holding tank is installed.

7. This agreement shall be binding upon the owner, the heirs of the owner, and assignees of the owner. The owner shall submit the agreement to the register of deeds, and the agreement shall be recorded by the register of deeds in a manner which will permit the existence of the agreement to be determined by reference to the property where the holding tank is installed.

6. This agreement will remain in effect only until the governmental unit responsible for the regulation of private sewage systems certifies that the property is served by either a municipal sewer or a soil absorption system that complies with Ch. ILHR 83, Wis. Adm. Code. In addition, this agreement may be canceled by executing and recording said certification with reference to this agreement in such manner which will permit the existence of the certification to be determined by reference to the property.

5. The owner agrees to contract with a person licensed under Ch. NR 113, Wis. Adm. Code, who shall submit to the governmental unit and the county on a semiannual basis a report in accordance with s. ILHR 83.18 (4) (a) 2., Wis. Adm. Code, for the servicing of the holding tank. In the case of registration under s. 146.20 (3) (d), Stats., the owner shall submit the report to the governmental unit and the county. The governmental unit or county may enter upon the property to investigate the condition of the holding tank when pumping reports and meter readings may indicate that the holding tank is not being properly maintained.

4. The owner, except as provided by s. 146.20 (3) (d), Stats., agrees to contract with a person who is licensed under Ch. NR 113, Wis. Adm. Code, to have the holding tank serviced and to file a copy of the contract or the owner's registration with the governmental unit. The owner further agrees to file a copy of any changes to the service contract, or a copy of a new service contract, with the governmental unit within ten (10) business days from the date of change to the service contract.

3. Owner agrees to pay all charges and cost incurred by the governmental unit for inspection, pumping, hauling, or otherwise servicing and maintaining the holding tank in such a manner as to prevent or abate any human health hazard caused by the holding tank. The governmental unit shall notify the owner of any costs which shall be paid by the owner within thirty (30) days from the date of notice. In the event the owner does not pay the costs within thirty (30) days, the owner specifically agrees that all the costs and charges may be placed on the tax roll as a special assessment for the abatement of a human health hazard, and the tax shall be collected as provided by law.

2. The owner agrees, pursuant to s. ILHR 83.18 (10), Wis. Adm. Code, to have a water meter installed in a new building or new structure. EXCEPTIONS FROM COVERAGE

This policy does not insure against loss or damage (and the Company will not pay costs, attorney's fees or expenses) which arise by reason of:

- (A) Special taxes or assessments, if any, payable with the taxes levied or to be levied for the current and subsequent years.
 - (B) Encroachments, overlaps, boundary line disputes, and any other matters which would be disclosed by an accurate survey and inspection of the premises.
 - (C) Easements or claims of easements not shown by the public records.
 - (D) Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records.
 - (E) Rights or claims of parties in possession not shown by the public records.
 - (F) Liens or deferred charges not shown on the tax roll for installations and connections of water and sewer laterals, mains and service pipes.
 - (G) The mortgage, if any, referred to in Item 4 of Schedule A.
 - (H) Any claim of adverse possession or prescriptive easement.
1. General taxes for the year 2000, not yet due and payable.
 2. Public or private rights, if any, in such portions of the subject premises lying within the limits of Walrath Road.
 3. Rights of the public in any portions of the subject premises lying below the ordinary high water mark of Bear Creek.
 4. Utility easement granted by and between Joe Lesnik to Jump River Electric Cooperative, Inc., dated May 24, 1993, recorded in the office of the office of the Register of Deeds for Rusk County, Wisconsin on July 14, 1993 in Volume 295 Records on page 217 as Document No. 237611.
 5. * Holding Tank Agreement executed between Town of Lawrence and Jim Felix dated July 8, 1999 and recorded in the office of the Register of Deeds for Rusk County, Wisconsin on August 13, 1999 in Volume 359 Records, Page 35 as Document No. 264165.
