PROFESSIONAL BACKGROUND

Alex Delannoy was born and raised in Toulouse, France, with a strong drive and burning desire to discover new experiences and knowledge. His travels through Europe and throughout the world have created a great passion for the diversity and culture he experienced.

Alex became a professional paintball player and came to the United States in 2010 when he joined one of the top teams in the league in the Tampa, FL area. After spending a few years with the team, his entrepreneurial spirit drove him to start his own business in Winter Haven, FL called Action Paintball & Laser Tag. The facility included a retail pro-shop, more than 30 trained employees, room for five different onsite activities, and became a thriving business with more than 35,000 players over the years. The business was purchased by an investor in early 2017.

He joined The Ruthvens in 2022 and leads the charge on our brokerage properties and services. He made a successful name for himself as a senior advisor at KW Commercial, where he built a book of commercial real estate business and managed brokerage assets in the Central Florida area for five years. Alex is known for providing results by creating opportunities through analyzing a problem and finding a durable solution by using all resources available. Alex is always looking at new ways to add value and skills, and his experience in his craft and in the community is a big reason he's a trusted resource to head up the brokerage properties division at The Ruthvens.
