Bam Partners, LLC is excited to present this exceptional opportunity for a 10-unit townhome development project, ready for immediate construction. This prime offering includes a mix of 3- and 4-level townhomes, featuring two units with lower-level ADUs, and five units boasting a luxurious 4th-floor penthouse suite with expansive rooftop decks.

The project spans a total of 21,400 square feet of premium living space across ten townhomes and two ADUs, with each unit also offering a dedicated single-car garage.

Key highlights include:

Residential BATCH permits already in place

Fire suppression NFPA 13D system

Entitlements included
