Your monthly Private Office agreement covers so much more than just your dedicated space; included in your monthly costs are:

- Access to our entire private building with community/lounge space, phone rooms, parent + prayer room, multiple conference/training spaces, and kitchen
- Access to basic black and white onsite printing
- Mail services
- Storage options
- Free parking
- and our fantastic hospitality team.

In addition to all the onsite amenities, your membership also includes access to community space in all our locations and our digital platform to connect with other members and programming.

ACROSS THE BOARD

All office suites are setup to be:

Secure

Each suite is equipped with a keypad lock with customizable code for keyless security.

Ergonomic

All Suites are furnished with sit-to-stand desks and ergonomic chairs.

Customizable

From layout to artwork, we will help make the space feel like yours!

AVAILABLE ADD-ONS

Only offered to Private Office Suites

Private Network

A Virtual Local Area Network (VLAN) allows for the segmentation of a physical network into smaller, isolated networks, enhancing security and performance.

Increased Bandwidth

Standard bandwidth will be 1 GB fiber connection - increased bandwidth up to 10 GB is available.
