Professional Background

Leon McCombs brings a wealth of commercial real estate experience as the former Facilities Consultant with the Welty Building Company. His responsibilities include ensuring professional maintenance of building mechanicals and property condition assessments. McCombs' background will provide our clients additional insight into the overall condition of their property prior to a sale or lease.

Prior to the Welty Building Company, McCombs spent 30 years teaching IT and systems servicing as a Director of Technology in the public-school system.

Leon has over 20 years experience in construction along with investing in residential and commercial real estate as part of his personal portfolio. This experience allows him to better understand the needs of our clients, both buyers and sellers, in commercial real estate transactions.

Leon and his wife Shelly live in North Canton, Ohio where they raised four daughters. As a licensed Captain, Leon and his family enjoy time boating on the Great Lakes, their boat is docked at Sawmill Creek, Huron Ohio.
