THORNTON PARK & SOUTH EOLA

“THE #1 DOWNTOWN DISTRICT IN ORLANDO”

The Thornton Park & South Eola Districts features numerous upscale eateries, inviting neighborhood bars, & trendy boutiques.

Styles of homes range from 1920s bungalows to Craftsman-style structures to Tudor Revivals, all of them lining renovated brick streets with pristine landscaping. Adaptive reuse is also a calling card of the community.

Thornton Park has a very cosmopolitan feel, as it is the location of exclusive restaurants, high-end fashion boutiques, and The Sanctuary, which has some of the most expensive condo units in Orlando.

The Districts have also become one of the most desirable and expensive places to live in downtown, attracting young professionals as well as urban dwellers. As a result, the area has become a lively 24/7 neighborhood, with a diverse mix of people.
