Matthews North Carolina

Matthews dates back to the early 1800s. Stumptown was incorporated in 1872. To manage growth, a Downtown master plan was adopted in May of 2024.

Matthews, a suburb of Charlotte with a population of 30,000, is one of the best places to live in North Carolina. Matthews offers residents a dense suburban feel. Matthews has plenty of restaurants, coffee shops, and parks with cultural events occurring all year round. Many young professionals and families choose the area because of the highly rated schools and easy commute to Uptown Charlotte.
