Very nice build out with quality improvements. Large open area and 25 private offices with many offices located on the perimeter of the space with windows. 2 private restrooms and good size conference rooms. This space would be ideal for an Executive Suites operation. Lessor (new tenant) can provide common services and receptionist for individual Lessee's. High demand in this area for small business operators wanting to have a professional office in a central location with ease of access to major freeways nearby. Another option is for a firm with intentions of expanding in the future. Landlord will consider leasing at a much lower rent the offices currently needed. As the firm grows, more offices can be provided as needed and the rent can be adjusted accordingly. VERY ATTRACTIVE RENT SCHEDULE AVAILABLE IF TENANT LEASES THE WHOLE SPACE. ## An aerial photograph of a suburban neighborhood. In the foreground, a large commercial building with a red-tiled roof and a white section is visible, surrounded by lush green trees. To the left, a parking lot is filled with cars. In the background, a dense forest of tall evergreen trees covers the landscape, with a clear blue sky above. The word "Aerial" is written in the bottom right corner.
