FLAGLER STREET REVITALIZATION

Flagler Street is the original Main Street, a promenade stretching from Bay to River. When Flagler Street and Miami Ave intersect it creates the four quadrants of city's grid and could not get anymore Main & Main St. The fully funded 30 million revitalization project entails a near-total redesign and reconstruction of the street from Biscayne Boulevard to the Miami-Dade County Courthouse. On-street parking will be eliminated, replacing it with valet stations, extending and level sidewalks to allow ample room for pedestrians, cafe tables, bike racks and benches. Oak trees will be planted down the entire street, while upgrading and burying the electric and sewage. Flagler Street will return to its days of glory, rivaling any Miami pedestrian mall and ultimately competing with the Worth Avenues and Rodeo Drives of the world.
