

WELCOME HOME

Billy Penn Studios is an environment that's designed to breed success.

When you're just starting out, you want a small space that can serve as your team's home base. But as you succeed and expand, you need a new home – something that's all yours.

That's why we offer office space that's as evolving and scalable as your business. When you're ready to move beyond your first space, we have plenty of options for your new, bigger business to call home.

OUR EXPERIENCE

Billy Penn offers spaces for individuals and small teams, plus larger offices for businesses as they evolve.

Our large atriums are spacious, beautiful, and completely customizable. They're the perfect blank canvas to create your most special events.

BUILD

At Billy Penn Studios, we offer offices that are as unique, compelling and advanced as your business demands.

GROW

We understand the challenges that businesses face and we're here to help you for the long haul. We offer a variety of spaces sizes from a few hundred square feet to several thousand. This make it easy for your business to expand and evolve without having to find a new place to call home.

IMPRESS

Whether you need a spot to interview potential employees, have lunch with teammates or clients, or you're just looking for a little outside inspiration, these are the cauldrons where magic is made.

A PRIME LOCATION

Billy Penn Studios is nestled in a great spot in the heart of Old Kensington.

It's close to restaurants, has a rich cultural scene, and is easily accessible by public transportation.
