PROPERTY DESCRIPTION

This move-in ready office suite offers a terrific downtown Selma location with excellent visibility and convenient access to Highway 99. Surrounded by restaurants, shopping, and banking, the property is ideally positioned for both clients and employees.

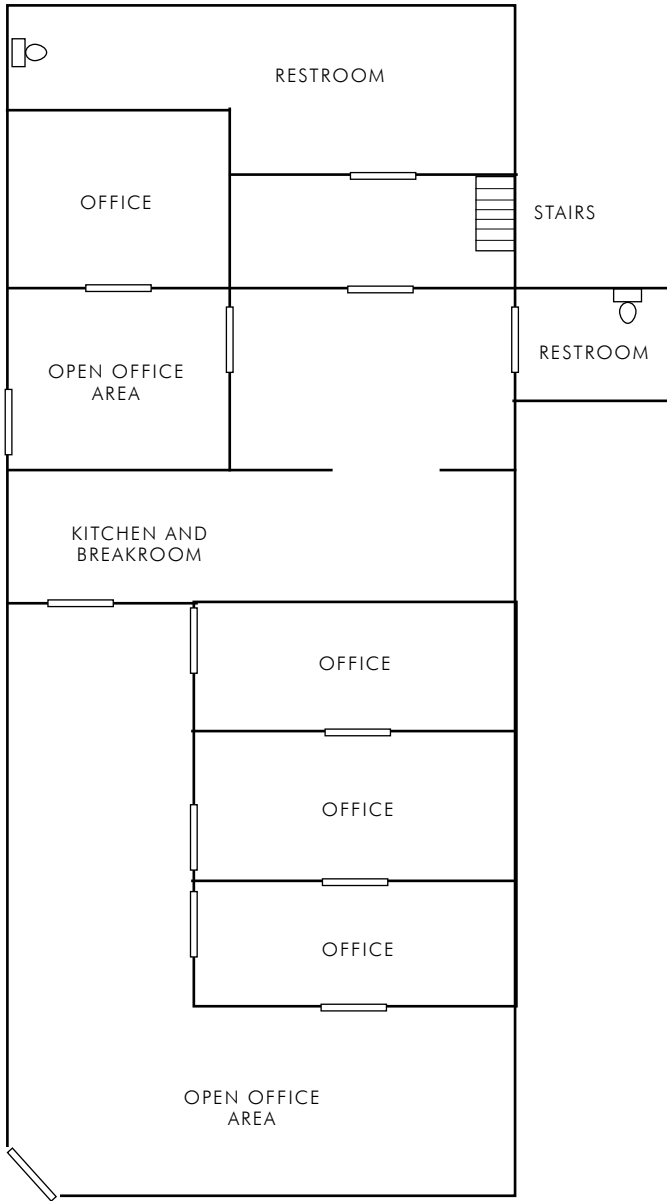

The approximately 2,200± square foot suite features a functional floor plan that includes two open office areas, four private offices, a kitchen and break room, two interior restrooms, and additional upstairs storage space. Well laid out and ready for immediate occupancy, this space is well suited for a variety of professional or business uses.
