The Offering

Avison Young (the “Advisor”) is pleased to present for sale a 100% freehold interest in a 454,216-square-foot industrial site located at 47-65 Saint-Joseph Boulevard in Lachine, offering a rare industrial zoned site on the Island of Montréal (the “Property”).

Bordering the Lachine Canal, the site boasts a 76,550-square-foot industrial facility with 17% site coverage, providing abundant yard space, exterior storage, and trailer parking. Strategically positioned on Boulevard Saint-Joseph, it provides seamless access to Highways 20, 520, 15, and 13. Just 15 minutes from downtown Montréal, P.-E.-Trudeau Airport, and the Mercier Bridge, the property also benefits from proximity to CN and CP rail lines and the Port of Montréal, further enhancing its logistics appeal.

Lachine’s proximity to downtown Montréal makes it a strategically significant and thriving submarket. Its strong demographics, expanding population, and ongoing industrial conversions are tightening supply while driving even greater demand for industrial space. With limited availability and rising demand, Lachine is increasingly valuable and highly sought after. The property’s industrial zoning, allowing up to 70% site coverage, further strengthens its development potential, making it a prime investment opportunity in this well-connected market.

With its prime location, strong market fundamentals, and future growth potential, this property presents a compelling investment opportunity for long-term value creation.

RE: Confidentiality Agreement – 47-65 Saint-Joseph, Montréal, Québec (“Property”)

We have been advised that Avison Young has been retained by the Vendor as its exclusive agent to arrange a sale of the Property. The Vendor has requested that all interested parties should direct all inquiries and communications through Avison Young only. We have requested that you furnish us with certain information concerning the Property. This information may include, without limitation, (i) an offering memorandum or materials, (ii) various other documents and data concerning the Property whether delivered in writing, orally, or through authorized access to a designated due diligence extranet site, and (iii) any work product developed from any of the foregoing (collectively, “Evaluation Material”). We acknowledge and agree that the Evaluation Material will be furnished to us only on the condition that we agree to treat the Evaluation Material in strict confidence in accordance with the following terms and conditions (the “Agreement”):

1. This Agreement shall terminate upon the date which is two (2) years after the date hereof. All Evaluation Material relating to the Property which may be furnished to any Recipient (as hereinafter defined) under this Agreement shall continue to be the Property of the Vendor and/or Avison Young, as the case may be. The Evaluation Material will be used by the Recipient solely for the purpose of evaluating the possible acquisition of the Property and will not be used in any manner detrimental or adverse to Vendor, the Property, the manager(s) of the Property or any partner, fellow member or lender of any Vendor or manager(s) of the Property. As soon as reasonably possible upon Vendor's or Avison Young's request or upon the termination of our Agreement, we will return to Vendor or Avison Young, as applicable, or, to the extent permitted by law, destroy, all Evaluation Material and any other written material containing or reflecting any of the Evaluation Material that has been provided to or created by us, and will not retain any copies, extracts, or other reproductions in whole or in part of such written materials.

2. We agree to keep all Evaluation Material strictly confidential and shall not disclose the contents thereof to any person without both Avison Young's and Vendor's prior written consent; provided, however, that the Evaluation Material may be disclosed to our key employees, and the Recipient's outside counsel, accountants, and institutional lenders where applicable, acting on behalf of Recipient on a strictly “need to know” basis, and solely for the purposes set forth herein. We, together with any person to whom we disclose all or any portion of the Evaluation Material, pursuant to the terms hereof, are referred to herein individually and collectively as “Recipient(s).” Any Recipient other than us receiving Evaluation Material shall, prior to receiving such Evaluation Material from us, be informed of the confidential nature of such Evaluation Material and the terms of this Agreement and directed not to disclose the Evaluation Material to any third party. We agree that we will be responsible for any breach of the terms and conditions set forth in this Agreement by a party to whom we have disclosed the Evaluation Material. We will immediately notify Avison Young and Vendor in writing of any breach of this Agreement by any Recipient which may come to our attention. In addition, the Recipients will not disclose to any person, unless otherwise required by subpoena or mandated by law, (i) the fact that the Evaluation Material has been made available to it or that it has inspected any portion of the Evaluation Material; (ii) the fact that any discussions or negotiations are taking place concerning the proposed transaction regarding the Property; or (iii) any of the terms, conditions or other facts pertaining to the proposed transaction regarding the Property, including the status thereof. The provisions of this Paragraph 2 shall not apply to information (i) which is or becomes subject to a properly issued subpoena by a court of competent jurisdiction, or (ii) is generally available to the public other than as a result of a breach of this Agreement; provided, however in any of the foregoing instances, we agree to promptly notify Vendor of such required disclosure and when reasonably possible with sufficient advance notice to permit Vendor to seek a protective order or to take other appropriate action to waive compliance.

3. We acknowledge and agree that neither Vendor nor Avison Young nor any director, officer, employee, partner, member, agent, counsel, or representative of Vendor or Avison Young, including without limitation any lawyer, asset manager, management company, appraiser or engineer retained by Vendor or Avison Young (collectively, the “Owner Representatives”) make any representation or warranty whatsoever as to the accuracy or completeness of the Evaluation Material. Any financial information and/or projections contained in the Evaluation Material represent estimates based on assumptions believed to be reasonable under the circumstances, although they have not been independently verified, and no representation or warranty of any kind whatsoever (including, but not limited to, reasonableness, accuracy, or completeness) is made by Vendor, Avison Young or the Owner Representatives. Avison Young and Vendor expressly disclaim any and all liability for representations or warranties, express or implied, regarding the Evaluation Material or that actual results will conform to projections in the Evaluation Material; and we agree that neither Avison Young nor Vendor nor the Owner Representatives shall have any liability to us or to any Recipient resulting from our or their use or reliance upon the Evaluation Material, whether or not a purchase of the Property is consummated. We represent that we will conduct our own independent investigations for all those matters which we deem necessary or appropriate to evaluate any proposed transaction involving the Property. In the event that Vendor and we enter into a definitive agreement for the purchase and sale of the Property, the provisions of this Section 3 are subject to the terms of such definitive agreement concerning the Evaluation Material.

4. We agree to be responsible for the payment of any fee, commission, or other compensation payable to any broker, finder or agent who alleges it has dealt with or through us, other than Avison Young, and Avison Young shall have no obligations to share any part of its commission with any broker, agent, finder or any other person or entity who has dealt with or through us. We hereby agree to indemnify, defend, and hold Vendor and Avison Young harmless from and against any and all claims, damages, losses and liabilities (including reasonable legal fees and disbursements) in this regard.

5. This Agreement shall be (i) binding on us and inure to the benefit of the Vendor and Avison Young and their respective successors or assigns and (ii) governed by and construed in accordance with the internal laws of the Province of Québec and the federal laws of Canada applicable therein. The submission of the evaluation material and any draft purchase agreement for examination is not intended to, nor will it constitute an offer to sell the Property, or a reservation of, or option or proposal of any kind for the sale or purchase of the Property. In no event will the submission of the evaluation material or draft purchase agreement create any obligation or liability upon Vendor or Avison Young whatsoever. We expressly acknowledge and agree that: 1) The selection of the winner of the bid process is at the sole discretion of the Vendor; 2) The Vendor is under no obligation to accept any proposal received as a result of the bid process or to select/award a purchaser if it chooses not to for any reason; 3) That Avison Young and its representatives are not required to explain why a particular bidder was or was not successful under the bid process unless it had first received instructions in writing from the Vendor to do so and 4) We shall indemnify and hold Avison Young, its parent and affiliates, representatives and the Vendor harmless from any and all losses, costs and damages (including loss of profits/consequential damages) that may occur as a result of us not being awarded the right to purchase the Property under the bid process for any reason.
