Apex Capital Realty is pleased to present the opportunity to acquire 7935 NW 64 Street, Unit 7935, an industrial warehouse condominium located within the well-established Sorrento Industrial Park in Medley, Florida.

The property consists of approximately 1,503 square feet and is well suited for owner-users, manufacturers, and light to moderate industrial operators seeking functional warehouse space in one of Miami-Dade County’s most active industrial corridors.

The offering includes existing industrial printing equipment, providing optional value for a buyer who can utilize the machinery. The equipment may also be excluded from the transaction at Seller’s discretion.

# LOCATION OVERVIEW

Sorrento Industrial Park is situated within the Medley / NW Dade industrial corridor, one of South Florida's most supply-constrained and in-demand industrial submarkets.

- The property benefits from proximity to:
- Major arterial roadways
- Miami International Airport
- Port Miami
- Surrounding industrial, logistics, and service hubs

The location offers efficient access throughout Miami-Dade County, making it attractive to businesses requiring centralized operations
