Executive Summary

This offering presents a unique opportunity to acquire a versatile mixed-use commercial property featuring a fully built-out restaurant/bar space under lease until 2028 and a separately connected professional office suite. The building's dual-use configuration, strong visibility, and strategic location in the heart of the historic Belltown neighborhood, create an attractive platform for operators, investors, and businesses seeking a high-value, multi-revenue asset.

The property consists of two distinct yet complementary commercial spaces:

- **Restaurant/Bar Space:** Leased by Provisions Bar through 2028. A highly visible, street-level retail unit designed for food-and-beverage operations. The space offers a functional layout, existing infrastructure for kitchen and bar service, and strong frontage ideal for capturing customer traffic.
- **Premium Modern Office For Lease:** A separately connected office suite with its own dedicated entrance, offering privacy and operational independence. The layout supports a range of professional uses, including administrative offices, creative studios, medical/wellness services, or boutique firms.
